

April 22, 2017

To Our Dear Friends,

Welcome to “A Night for Kids!”

Thank you for partnering with LESA and its Building Blocks Scholarship Fund by attending tonight’s event! Because of the energy, effort and support of so many, this annual Dinner–Auction has become the cornerstone of our ministry’s fundraising efforts.

LESA is committed to the belief that all children should have an opportunity to receive a quality, Christ-centered education in the caring, supportive environment that Lutheran elementary schools provide. LESA provides financial resources for children in need to obtain Lutheran Christian education. We advocate and support efforts to improve the sustainability of quality Lutheran Christian schools in the metro St. Louis area. We strive to help our 35 member schools provide quality programming through curriculum guide development and professional development for more than 500 faculty members.

Tonight you have the opportunity to leave a legacy for children through your gifts in support of Lutheran education. Bid big in the silent and live auctions, buy a scholarship, and consider a multi-year pledge for a named endowment. The Lutheran Legacy Foundation will provide a \$5,000 match for every \$20,000 raised for a named endowment. We are grateful for your partnership in ministry!

Your enthusiastic participation in tonight’s activities and in the silent and live auctions will ensure a successful event for the children LESA serves! Relax, enjoy the scrumptious meal and the fellowship of those around you, and bid – bid – bid on the wonderful items offered in tonight’s auction. Thank you for sharing your blessings with those we serve!

2017 Heritage Award

Lutheran Legacy Foundation

The Lutheran Elementary School Association (LESA) is delighted to present the 2017 Heritage Award to the Lutheran Legacy Foundation for their contributions to LESA and Lutheran education. The Heritage Award is given in recognition of those whose contributions have created a legacy for children enrolled in Lutheran schools in the St. Louis community.

The mission of the Lutheran Legacy Foundation is to help provide for the future of Lutheranism, seeking to nurture Christian faith and values to future generations. The Lutheran Legacy Foundation first partnered with the LESA mission in 2006, with a grant from The Clara and Spencer Werner Foundation, inside Lutheran Legacy Foundation. Since that time, Lutheran Legacy Foundation has become a leader in building LESA's Endowments helping to grow support for Lutheran education in the St. Louis community.

"Lutheran Legacy Foundation believes that Christian Education may be the most powerful force for good in our society. We are proud to be partners with LESA to help Lutheran Schools continue their long tradition of excellence in education combined with the Scripture message love, forgiveness and morality," says Rev. Jerry L. Klug, President, Lutheran Legacy Foundation.

To help LESA provide services and programs for the future, Lutheran Legacy Foundation recently awarded a grant through The Clara and Spencer Werner Fund which will provide a 25% match to gifts from donors desiring to establish named endowments. Thanks to this grant, named endowments may have \$5,000 added to a \$20,000 gift. The gift may be funded at one time or over a period of four years. We encourage you as our guest this evening and all our ministry partners to prayerfully consider establishing a named endowment to help ensure that LESA's need-based tuition assistance, educational resources, and instructional support will be available to serve children attending St. Louis area Lutheran schools for years to come. In addition, The Werner Fund will also provide significant scholarships to two Building Blocks' recipient students for the 2017/2018 academic year.

We thank God for the Lutheran Legacy Foundation's support of children, families, and Lutheran schools through its partnership with LESA! May God bless the work of the Lutheran Legacy Foundation.

2017 STUDENT CHRISTIAN LEADER

Sanai Kay Davis

8th Grade, River Roads Lutheran School

The St. Louis-based [Lutheran Elementary School Association](#) has selected **Sanai Kay Davis**, an eighth-grader at River Roads Lutheran School in north St. Louis, to receive its **2017 Lutheran Student Christian Leadership Award**.

The award, which includes a **\$500 scholarship** underwritten by the [Lutheran Church Extension Fund \(LCEF\)](#), recognizes Lutheran elementary school students who demonstrate courage, compassion, leadership, academic achievement and a commitment to their community.

Sanai will receive her award Saturday, April 22, 2017, at LESA's 13th Annual "**A Night for Kids**" Dinner-Auction at Orlando Gardens South. **Fox 2's Andy Banker** will emcee.

Proceeds from the night will benefit the more than **9,000 children** who attend Lutheran schools in the St. Louis area.

Sanai, 13, was nominated by her principal for her ongoing commitment to her faith and her community. She recently held a bake sale to **raise money for River Roads Lutheran to help it remain open** amidst financial difficulties. Other projects include organizing a supply drive for the **Perryville Tornado victims**, initiating a recycling program at River Roads, working to create a new library in the school and helping teachers and other students develop River Roads' STEAM program. Sanai, who lives in Ferguson, began attending River Roads Lutheran as a preschooler.

"One of the things I've learned is to always put your faith in God," said the teenager, whose younger brothers also attend River Roads. "It's a great school and I love everything about it. I want new students to experience everything that I have experienced here."

"Sanai has blossomed into an advocate for her fellow students," said Yvonne Boyd, Sanai's principal. "She is a student whom God has destined to be one of His leaders in the future, as it is told in Jeremiah 29:11."
