INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Lutheran Elementary School Association

Opinion

We have audited the accompanying financial statements of Lutheran Elementary School Association (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the fiscal year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Lutheran Elementary School Association as of June 30, 2022, and the changes in net assets and its cash flows for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Lutheran Elementary School Association and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Lutheran Elementary School Association's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lutheran Elementary School Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lutheran Elementary School Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Lutheran Elementary School Association's 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated August 24, 2021. In our opinion, the summarized comparative information presented herein as of and for the fiscal year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

LUTHERAN ELEMENTARY SCHOOL ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Association

The Lutheran Elementary School Association (the "Association") is a recognized service Association, designated by the Board of Congregational Services of The Lutheran Church - Missouri Synod. The Association serves the Metropolitan St. Louis Area by providing funding to support scholarships for underprivileged youth to attend private metro-area schools and educational resources to member schools. The Association's support comes primarily from individual donors' contributions and various religious and social agency grants.

Basis of Accounting

The financial statements of the Association have been prepared on an accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Basis of Presentation

The financial statements of the Association have been prepared in accordance with the accrual basis of accounting. The Association reports information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions - Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Association. These net assets may be used at the discretion of the Association's management and the board of directors.

Net assets with donor restrictions - Net assets that are subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Association or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated that the funds be maintained in perpetuity.

Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Reclassifications

Certain reclassifications have been made to prior year financial statements to conform to classifications used in the current year. These reclassifications had no impact on changes in net assets or cash flows as previously reported.

Comparative Data

The amounts shown for the fiscal year ended June 30, 2021 in the accompanying financial statements are included to provide a basis for comparison with 2022 and present summarized totals only. Accordingly, the 2021 totals are not intended to present all information necessary for a fair presentation in conformity with the accrual basis of accounting. Such information should be read in conjunction with the Association's financial statements for the fiscal year ended June 30, 2021, from which the summarized information was derived.

LUTHERAN ELEMENTARY SCHOOL ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents

The Association considers all highly liquid investments and certificates of deposit with a maturity of three months or less to be cash equivalents.

Investments

The Association has adopted "Accounting for Certain Investments Held by Non-Profit Organizations". Under the standard, investments with readily determinable fair values are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the accompanying statement of activities.

Grants Receivable

Grants receivable represent amounts due to the Association that have not been collected. Grants receivable for the fiscal years ended June 30, 2022 and 2021 were \$23,000 and \$57,000, respectively. Based on management's estimated collections, a provision for doubtful accounts has not been established as management considers all accounts to be collectible as of June 30, 2022 and 2021.

Property and Equipment

Property and equipment are recorded at cost or, in the case of donated assets, at their estimated fair market value on the date of donation. Depreciation of property and equipment is provided over the estimated useful lives of the respective assets on a straight-line basis. Currently, assets are depreciated over useful lives of five to seven years. Expenditures for repairs and maintenance are charged to operating expenses as incurred. Depreciation expense for the fiscal years ended June 30, 2022 and 2021 was \$4,100 and \$3,459, respectively.

Contributed Services

The Association receives a significant amount of donated services from unpaid volunteers who assist in fundraising and special projects. No amounts have been recognized in the statement of activities because the criteria for recognition have not been satisfied.

Contributions

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor-restricted contributions are reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction, depending on the nature of the restriction, is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Joint Marketing

The Association uses joint marketing to promote its programs among the audiences it serves. Marketing costs are expensed as incurred. For fiscal years 2022 and 2021, marketing expenses were \$33,128 and \$31,003, respectively.

LUTHERAN ELEMENTARY SCHOOL ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

Note 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Income Taxes

The Association is exempt from income taxes pursuant to section 501(c)(3) of the Internal Revenue Service Code. Therefore, no provision is made for taxes on income.

The Association adopted the provisions of Accounting for Uncertainty in Income Taxes on July 1, 2010. The adoption of that guidance resulted in no change to the financial statements for prior periods. As of June 30, 2022, no amounts have been recognized for uncertain tax positions. The Association's tax returns filed for the fiscal year 2019 and prior are closed.

Measure of Operations

The statement of activities reports all changes in net assets, including changes in net assets from operating and nonoperating activities. Operating activities consist of those items attributable to the Association's program services and support services. Nonoperating activities are limited to resources that generate a return on investment and other activities considered to be of a more unusual or nonrecurring nature.

Use of Estimates in Financial Statements

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Note 2 - FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated between general and administration, fundraising, or the appropriate program based on evaluations of the related benefits. Such allocations are determined by management on an equitable basis. Expenditures have been allocated based on time and effort or specific identification, when available.

Note 3 - CONCENTRATION OF CREDIT RISK

The carrying amount and bank balance of the Association's deposits held at the Lutheran Church Extension Fund as of June 30, 2022 and 2021 totaled \$403,074 and \$402,234, respectively. The entire bank balances were uninsured as of June 30, 2022 and 2021.

The carrying amount of the Association's investments held at Lutheran Legacy Foundation and Youth Bridge Community Foundation as of June 30, 2022 and 2021 totaled \$5,175,322 and \$6,358,670, respectively, including cash deposits of \$10,115 and \$11,120, respectively. The entire investment balances were uninsured as of June 30, 2022 and 2021.

JUNE 30, 2022 AND 2021

Note 3 - CONCENTRATION OF CREDIT RISK (Continued)

The carrying amount of the Association's deposits held at Lutheran Federal Credit Union as of June 30, 2022, and 2021 totaled \$338,250 and \$244,646, respectively. Bank balances totaled \$355,609 and \$252,608, respectively. Each depositor is insured by the National Credit Union Share Insurance Fund (NCUA) for up to \$250,000. Of the bank balances, \$105,609 and \$2,608, respectively, were uninsured.

The Association maintained investments at United Missouri Bank (UMB). Each depositor is insured by the Securities Investor Protection Corporation (SIPC) for up to \$500,000 of investments, including a \$250,000 limit for cash. As of June 30, 2022 and 2021, total investments were \$3,732,829 and \$4,243,883, respectively, including cash deposits of \$300,534 and \$247,741, respectively. Of the investment balances, \$3,232,829 and \$3,743,883 were uninsured.

Note 4 - INVESTMENTS

Fair Value Measurements

Financial Accounting Standards Board Statement *Fair Value Measurements* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy under *Fair Value Measurements* are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Association has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used for fiscal 2022.

Certificates of deposit: Valued at cost, which approximates fair market value.

Mutual, equity, and fixed income funds: Valued at the net asset value of shares held by the Association at year-end.

Common stocks and exchange-traded funds: Valued at the closing price reported on the active market on which the individual securities are traded.

LUTHERAN ELEMENTARY SCHOOL ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

Note 4 - INVESTMENTS (Continued)

Municipal, corporate, and U.S. government bonds: Valued by the investment administrator holding the securities.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Association believes its valuation methods are appropriate and consistent, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Association's assets at fair value as of June 30, 2022:

Note 7 - NOTES PAYABLE

In January 2021, the Association received loan proceeds in the amount of \$55,711 under the Paycheck Protection Program ("PPP"). The PPP is administered by the Small Business Administration. The loan and accrued interest (1%) are forgivable after eight to twenty-four weeks as long as the Association used the loan proceeds for eligible purposes, such as payroll, benefits, rent, and utilities. On November 14, 2021, the entire loan balance was forgiven and \$55,711 was recorded as debt forgiveness on the statement of activities. The balance as of June 30, 2022 and 2021 was \$0 and \$55,711, respectively.

Note 8 - LINE OF CREDIT

In April 2021, the Association entered a \$250,000 line of credit agreement with UMB Bank. The line of credit matured on June 30, 2022, and the Association elected not to renew the agreement. The line of credit carried a variable interest rate with a minimum of 3.50% per annum. The balance as of June 30, 2022 and 2021 was \$0.

Note 9 - OPERATING LEASES

- I. During 2016, the Association entered a five-year operating lease with South Towne LLC for office space. The agreement was extended twice during the fiscal year 2022. Once, for a 3-month term, expiring September 30, 2021, and requiring minimum monthly lease payments of \$1,953. Second, for an additional 3 years. Over the term of the lease, minimum monthly lease payments will range from \$1,953 to \$1,992. Upon termination, the lease does not subject the Association to any additional minimum lease payments.
- II. In January 2018, the Association entered an operating lease for a copier starting in March 2018. Minimum monthly lease payments are \$305 for a term of 60 months. Upon termination, the lease does not subject the Association to any additional minimum lease payments.

Note 11 - NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions include assets that have been restricted for a specific purpose or period. Assets with a purpose restriction must be used for the intended purpose specified by the donor. The restriction expires when the stipulated purpose for which the resource was restricted has been fulfilled. Assets with a period restriction must be used during the period the donor has restricted them for, which can be temporary or permanent in nature. All donor-restricted endowment funds held by the Association are considered permanently restricted, and earnings on the endowments are considered purpose restricted.

Note 13 - REVENUE RECOGNITION UNDER ASU 2014-09

Contracts with Customers

As of June 30, 2022 and 2021, revenue from dues received from members totaled \$31,429 and \$31,266, respectively. No impairment losses were recognized on receivables or contract assets.

Disaggregated Revenue

Membership dues are recognized over time. Membership revenue is earned from Lutheran schools and early childhood centers across several counties in Missouri and Illinois, and the number of members does not change significantly from year to year. Hence, economic factors do not materially affect the nature, timing, and uncertainty of revenues or cash flows from membership dues.

Performance Obligations

Contract performance for membership obligations is satisfied over time during the course of each fiscal year of membership.

The Association does not charge interest on accounts receivable and has no formal obligation to its members for refunds of dues or conference fees.

Note 13 - REVENUE RECOGNITION UNDER ASU 2014-09 (Continued)

Contract Balances

As of June 30, 2022 and 2021, the ending contract-type balances were both \$0.

Significant Judgments

Membership dues are set by the Association's Advisory Council. As a result, management utilizes judgment in the recognition of membership dues. During fiscal 2022, there were no changes in recognition methodology. Also, during fiscal 2022 there were no changes in the judgments utilized for determining the timing of the satisfaction of performance obligations or transaction prices allocated to performance obligations.

The output method is used to recognize revenue for performance obligations satisfied over time, and that method was applied by recognizing annual membership dues for a given membership year monthly over the course of the membership year.

Adjusting consideration for the effects of the time value of money is not necessary for the Association's receivables. Further, the financial statements include no estimates of variable consideration or noncash consideration.

There have been no allocations of transaction prices, including estimates of standalone selling prices of goods or services promised, or allocation of discounts and variable consideration to a particular part of a contract.

Practical Expedients Used for Financing Components

There is no financing component to the Association's recognition of revenue.

Note 14 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 6, 2022, the date which the financial statements were available for issue, and noted no reportable events.
